

Brise Soleil

Cassette System (Multi) : Face-Fixed / Concealed Brackets

PRODUCT OVERVIEW

Face fixed

Overhead arms

Corners

Concealed fixing

Summary

Face-fixed, multiple canopy cassette system. A popular solution for providing shading of large areas of glazing, providing a clean aesthetic feature. Typically retro-fitted to an existing building, it is an effective solution for shading glazed areas from direct sunlight, significantly reducing the affect of problem solar heat gain.

The concealed bracket option is ideal for new build.

Features

- Multiple canopies
- Easy to install
- Face-fix / Concealed
- With or without overhead support arms
