

Brise Soleil

Cassette System (Multi) : Face-Fixed / Concealed Brackets

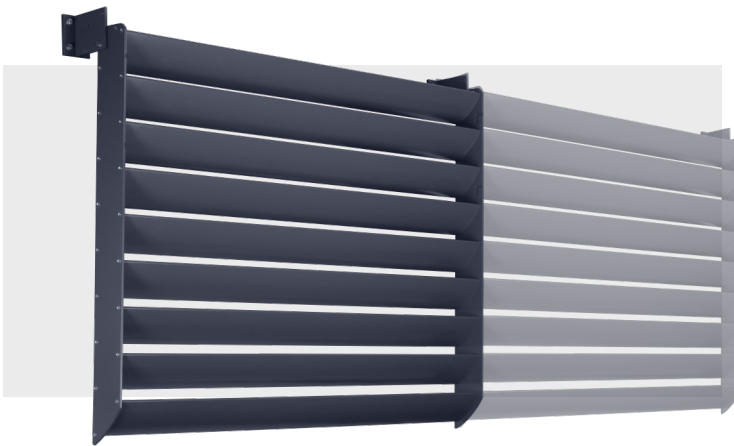

INSTALLATION GUIDE

Brackets

Positioning; either use width of cassette to establish spacing of brackets, or have cassettes made to suit bracket spacing.

Fit all brackets to wall using suitable bolts.

Offer cassette up in between brackets and loosely fit using supplied bolts. Offer up second and subsequent canopies and loosely secure.

Raise front of cassette up to horizontal, and fit second fixing bolt at one end.

Raise second cassette and secure first and second cassette by bolting through with second fixing bolt. Tighten each fixing in turn, checking cassette is straight and level.

Adjacent cassettes can be fitted by repeating the process.
