

Brise Soleil

Underslung : Continuous System | Face-Fixed Brackets

INSTALLATION GUIDE

Fit all brackets and mullions to wall, typically at 1,500 mm centres.

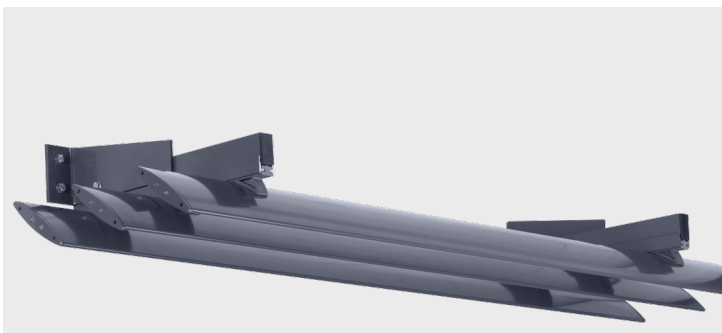

Offer-up first (outer) blade and fix into 'bird beaks', and secure with supplied screws.

Repeat with other blades.

When blades need to be joined, slide blade joiner into adjacent blades and fix blade joiner to mullion.

N.B. Wherever possible position blade joiners in bird beaks for best aesthetic.

Fit end-caps as required.
